Ron, Good morning. Can you give me a sense of how early you could start Thursday morning? I will set up a meeting place in our Washington Office. I plan to contact Freeh and Chertoff later today to arrange the interview slots.

I can rearrange my schedule to be with you in DC on Thursday. I'll just fly out of National Thursday; if we can try and make the appointments earlier in the day that would be helpful

Thanks, Ron.

I have been unsuccessful in my attempt to free up Wednesday. As I mentioned, I am in D.C. Thursday. Is Thursday a possibility for you? Otherwise, maybe I could do the initial interviews down there (both are well known and highly experienced investigatory counsel) and loop back to you with impressions?

I talked with the Governor this afternoon re the Attorney General and our approach about having the outside firm talk directly with that office. He strongly agreed with the approach, and added that he had already discussed the role of the committee with her. He suggested that you still reach out to her early next week. Will fill in more next time we talk.
