**Subject:** Re: heads up

Mark E will call you re PSU and his plan to "inquire" from an NCAA point of view. I have pushed back and have lost the argument so far, but call if you need to think through. I had a good conversation with Lou Anna on how to use it to look at the athletic culture, but Mark wants more. I head to DC in about 30 min, but am around after 6:30 Eastern tonight. . [REDACTED]
