We gave clear instructions that you are to be provided unfettered access to all documents and information in order to carry out the investigation. In addition, the Board members all voiced a desire to ensure that the Attorney General be advised of our intent to cooperate with the pending criminal investigation. While Judge Baldwin stated that communication to that effect occurred this afternoon, I would ask Judge Freeh or one of his colleagues to reiterate that point on our behalf. Please let me know if full cooperation is not forthcoming.
