I am O.K. with that. Ron, your call.

Because she is a colleague of Ron's, I would vote for having Ron do it in an informal way.

Unless there is a concern regarding the need for lawyer to lawyer conversations, I would also suggest John or Steve reach out to the AG. This has less to do with the work of the independent task force than it does with the University's cooperation with the AG. Hearing John or Steve saying that direction is

being given from the Board to the Administration to cooperate fully should go some distance to relieve those concerns.
