Subject: Follow-Up Item from November Meetings
TO: Members of the Board of Trustees

Recall at the November Board of Trustees' meeting, Governor Corbett raised a question with respect to the average debt of Penn State graduates. Attached please find a copy of Rob Pangborn's response to the Governor; it provides additional information that may be useful to all Board members.

In the event you cannot open or access the attachment, please advise and a print copy will be provided.

Thank you.
