No more than 2 hours. More likely 1.5 hours. Materials would be provided in advance.

Correct. No need for a call. Julie is okay with conference call, but would prefer Friday if your team would be available?

Donald –

Please let me know if you want to speak at 9 AM this morning. I do not have any questions regarding the good list of questions you provided on Wednesday and do not have any updates since last Friday, given the fairly minimal activity during this past holiday week.

I think the only outstanding issues are 1) the date for the on-site education session next week, and 2) the timing of when you will provide other information for us to consider during our investigation (e.g., proposed interviewees, database search terms). I suspect you will communicate those items to me by email as soon as available.

Regards,

Omar Y. McNeill
