[REDACTED]

It was good to talk with you today. As we discussed, along with Louis Freeh, I am representing the Special Investigations Task Force of the Board of Trustees of The Pennsylvania State University.

I am looking forward to meeting with you on February 15, 2012, at 10 a.m. at your office. I will be joined by our lead investigator, Kathleen McChesney, for the meeting. Kathleen is a retired FBI agent who also works with the Freeh Group.

Please let me know if you have any questions or need any information in advance of our meeting.

Regards,

Greg
