Ok, Secretary Greig. I will so note in tagline that you do not join in the Report and in the Op Ed. (Note that both the Report and Op Ed are identically worded).
I am about to send the final drafts of both documents just for your information – and not for circulation.
Have you informed the Governor? We are waiting to talk with him.
Thanks and regards,
Lanny Davis

Lanny sorry I just got back from an appropriation hearing I would like to opt out also. I believe this will just stir everything back up again.

I am sending all of you final revisions - not for circulation. I am waiting to hear from the Governor. I need to know whether any of you wish to opt out of being included as part of Board members signing the piece.

Please advise asap.

Lanny

I am concerned that we are late in expressing our decision of Coach Paterno's release
And that this communication may reignite the harsh criticism of the actions taken by the Trustees.
After consideration of the potential fallout, I cannot support the release of Opinion Piece. Thanks
Rick Allan
