Dear Ron:

I hope this message finds you well. I was asked to reach out to you on behalf of the Freeh Group, external counsel to the Board of Trustees Special Investigations Task Force, to request time on your calendar for an interview. The time required to conduct the interview will be two hours. Representatives from the Freeh Group will travel to your office to meet with you.

They have asked that we identify dates that you might be available next week. If possible, the requested days of the week are Monday, anytime, or Tuesday morning. Alternatively, Thursday afternoon or Friday, anytime. They would like to have this accomplished by the end of April.

I've copied Jane and am asking that she advise of any possible days/times.

You can reach me via email at [pra4@psu.edu](mailto:pra4@psu.edu) <<mailto:pra4@psu.edu>> or via my cell at 814-308-4148. Thanks, and I look forward to hearing from you soon.

Paula
