Sorry, day got away from me.  
Will give you a quick call tomorrow.

Hope all is well.

Kevin

So, what does it mean for the NCAA to be the adult in the room regarding Penn State. Immediate self-imposed sanctions and NCAA sanctions and a deeper look over time to fully calibrate the horror seem like good place to start. If you can find it, read the opinion piece by Rick Reilly at espn.com. I think he has it right.
