Gene,

Very much appreciated and your work has been exemplary in a very difficult time. I was worried that it was not clear enough early, but I think Mark hit on it well in Q's and A's.

Best,

Dave

David-

Just ME talking - I think the comments in the press conference are fair and supportive of the new leadership at Penn State - which was appropriate. I have been impressed with Dr. Erickson this week. He is in a hugely difficult position and has handled it as well as anyone could.
